

REMARKS

Applicants received a Notice of Omitted Items in a Nonprovisional Application on March 25, 2004, noting that the drawings as originally filed did not include Figure 6 described in the specification. In response to that Notice, Applicants file the preliminary amendment herein by deleting paragraph [0031] in the Brief Description of the Drawings section, which inadvertently references a Figure 6 that was not part of the present application.

Dated this 29 day of April, 2004.

Respectfully submitted,
